Acting upon the vision of PM Narendra Modi, CM Pushkar Singh Dhami led government, is surging ahead on all development parameters. The state government is committed to usher in industrial growth, with special focus on MSMEs

To make India self-reliant by promoting local manufacturing, Prime Minister Narendra Modi's idea of Atmanirbhar Bharat seems to be bearing fruit in Uttarakhand. CM Pushkar Singh Dhami, too, has reiterated upon creating local employment opportunities.

So, towards fostering investment and encouraging micro, small, and medium enterprises, the government of Uttarakhand has shaped the 'MSME Policy 2015' to fit in the scheme of things. MSMEs are critical in providing inclusive employment generation and their facilitation is top priority for the government.

The MSME Policy aims at utilising local resources, generating employment opportunities for people, especially in hill regions, and also promoting self-employment. The policy provides a comprehensive package of incentives as well as other supports for the benefit of the public. Enterprises established before January 31, 2015, undergoing expansion/modernisation/ diversification (by way of addition of more than 25% on fixed capital investment), shall also be eligible for Capital Investment Subsidy, Interest Subsidy and Stamp Duty exemption under the scheme.
