A CITY LAYERED IN HISTORY

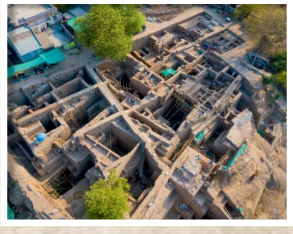

VADNAGAR

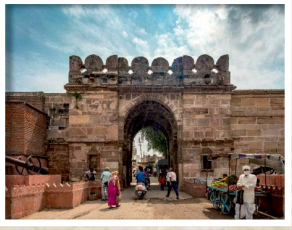

— A CITY OF THE AGES —

Each layer of earth beneath Vadnagar tells a story; every lane within it speaks of a storied era. Vadnagar has a history of being not just a religious centre for multiple faiths, but also a centre for great cultural activities. Centuries of civilisations have flourished on its soil, bestowing it with the distinction of being the keystone of culture and heritage.

Vadnagar is a true time-capsule of the ages past.
