Shaheed Mahendra Karma Tendupatta Collector social security scheme

This scheme has been started in coordination with the Chhattisgarh State Minor Forest Produce Cooperative Federation Limited. There is a provision to provide grant-in-aid in case of accidental death, accidental death, total disability and partial disability of the head of the Tendupatta collector family. So far 92.89 crore has been paid in 6150 cases.

- To increase the income of Tendupatta collectors, the amount of Tendupatta collection was increased from Rs.2500 to Rs.4000 per standard bag.
- Rs 2518.25 crore remuneration and Rs 339.22 crore incentive remuneration was paid to Tendupatta collectors in four and a half years.

Income from forest produce collection and processing

Minor forest produce collection is a major source of livelihood for the tribals in Chhattisgarh. Earlier, seven types of minor forest produce were bought here on support price, but now their number has been increased to 65. The number of women self-help groups associated with minor forest produce processing has increased from 4,239 to 17,424. 3945 village level collection centers are functional in the state. The responsibility of 837 collection centers has been given to women groups. After increasing the scope of minor forest produce collection, Chhattisgarh has now become the state with maximum 74 percent minor forest produce collection in the country. Between 2018-19 and 2022-23, 30.53 lakh quintals of minor forest produce worth Rs 356.44 crore have been procured in the state.

Minor forest produce purchase
