This product is suitable for investors who are seeking*

- Long term capital growth
- Investment predominantly in diversified stocks that are generally termed as mid-caps.

*Investors should consult their financial advisers if in doubt about whether the product is suitable for them. Mid cap stock prices are subject to more volatility than other stock prices.

Mutual fund investments are subject to market risks, please read all scheme related documents carefully before investing. Returns are not assured or guaranteed. Past performance may or may not be sustained in future.
