IMPACT FEATURE

A MATTER OF SAFETY

With a 4-Star safety rating from Global NCAP, the made in India, made for India Renault Kiger SUV proves that it is as safe as it is stunning

The Renault Kiger has been a success story for the French marquee and now the SUV adds another feather to its cap with a 4-star safety rating from Global NCAP, the foremost global car assessment programme. The Kiger is compliant with all the current safety requirements for the Indian market and even goes beyond to protect both passengers and pedestrians. Kiger's comprehensive safety suite includes four airbags along with seatbelts with pre-tensioner and load-limiter. It also gets ABS with EBD and rear parking camera aided by parking sensors. In addition to these, Renault has equipped the Kiger with impact sensing door unlock, speed sending door lock, 60/40 split rear seats with adjustable headrests and ISOFIX anchorage for a child seat. Building on its success in India, Renault has added more value to the package with the launch of the MY2022 Kiger which comes with added convenience features including cruise control and a wireless smartphone charger. Enhancing the already stunning exterior is a front skid plate, a Turbo decal on the door and tasteful chrome addition to the tailgate. Kiger's premium interiors get a shot of sportiness with red fade dashboard accent and red stitching for the upholstery. Safe and stunning, for sure. ■
