1,00,000 AUDIENCE

A 100 feet stage lights up with the image of Babasaheb as 'Babasaheb: The Grand Musical' begins. It had been the dream of CM Arvind Kejriwal to bring to the people of Delhi a grand show on Babasaheb Ambedkar's life. In February 2022, Delhi Tourism And Transportation Development Corporation (DTTDC) organised a mega scale musical show on the life of Babasaheb Ambedkar at the Jawaharlal Nehru Stadium. It was the first time that a state government organised such a grand show on the life and teachings of the Father of the Indian Constitution. The musical featured 150 artists with Bollywood actor Rohit Bose Roy playing the role of Babasaheb.

Portraying the inspiring life of Babasaheb Ambedkar, the musical showed his struggles, his lifelong fight for social justice and his faith in quality education as the solution to social problems. To bring quality education for all its students, the Delhi Government has implemented the Jai Bhim Yojana which provides scholarships to students from the SC/ST communities. The beneficiaries of the Jai Bhim Yojana were the special invitees of the CM Arvind Kejriwal to the premier show of the musical.

The musical was free for all and successfully completed 50 housefull shows, reaching an audience of around 1 lakh people from all across Delhi. All principals and teachers from Delhi government schools watched the show so that the values of Babasaheb reach every child studying in Delhi government schools. *"I have*
