MANGO DESTINATIONS FOR EVERYONE

TEN PLACES TO SCORE MARQUEE MANGOES

By **Utkarsh Pathak**

India's innumerable mango varieties are not known outside their regions. To really enjoy them, one has to go to them. If you do, you get a lot more than the best of India's mangoes. You can cut short your friends in the middle of an argument about the best mango varieties. We tapped into several regional experts to bring you a list of India's mango hotspots. Use this to plan your summer, filling it with taste and sweetness.
