CHOLAMANDALAM INTO COROMANDEL

A miniature map of the Malabar and Coromandel coasts drawn by the Flemish cartographer Petrus Bestius of Amsterdam, from *Tabularum geographicarum contractarum* (1606). This was based on an earlier map made in 1580 when the coastal trade was still under the control of the Portuguese.

The word Coromandel makes its first appearance on Portuguese maps at the start of the sixteenth century. It was then picked up in quick succession by the Dutch, the French,
