brother,’ wrote the nineteenth-century historian James Tod approvingly, ‘an arm in an action with the Lodi king of Delhi, while he was a cripple owing to a limb having been broken by a cannon ball. From the sword or lance, he counted eighty wounds on various parts of his body.’ And the fortress that this exemplary warrior had once defended in an earlier age was Chittor.

---

*Indigenous double-edged straight sword.

†Akbar’s finance minister, who first served under Sher Shah Sur, then joined Akbar’s court sometime in the early 1560s.

*Beginning with Sikandar Lodi, a number of the Lodi Sultans held the fort and added to its structures.

*A derogative term for a Persian, considered a scribe.

*Raja Mukunda Deva.
