

KEY TAKEAWAYS

The Narendra Modi-led government has made it possible for entrepreneurs to think big, to reset their scale and to look at the world as a market

Goenka looks up to Mukesh Ambani for his skill in execution, vision of scale and ability to reach out to people. "Even if we get to a fraction, we would have done very well"

Some of the highest value creators have hit upon very simple ideas. It's ease of living or ease of consuming where the highest value creation happens

ON HIS NEW VENTURES

Legacy gives you a sense of values... but all these values and conventions have to be used to move forward and not to bind you down

ON INDIAN ECONOMY

It fills my heart with pride to see when the world around us is crumbling, India is standing up and doing well... Modiji has taught the world to respect India

ON HIS IPL FRANCHISE

I've heard lots of people say that Lucknow Super Giants getting to the playoffs in its first year was a great achievement... I think the aim has to be to get the Cup each year
