Whether it's family, schools or institutions, we don't really know what to do with distress. We think a pill will help make us feel better. That's not how it works

NUPUR DHINGRA PAIVA
Clinical psychologist and Psychotherapist

♦♦♦

Therapy helped me grow and be the person I am today. It taught me how to deal with my anxiety

PRANAVI KHANDEKAR
Psychology student

♦♦♦

One of the first things to remember is to allow children to remain children. I know it's a simple thing to say but a complex thing to live. But don't pin the future on them

SUDIPTO PATRA
Parent

At the basis of communication is the need to accept–'I see you, I hear you and I accept you for who you are'

ABHA ADAMS
Educator and Author
