Find the

pleasure

of being a woman.

Pleasure isn't what you only give.
It's what you ought to get.
Seek it. Ask for it. Find it.

Find yourself.

Find yourself at your peak.
Over and over again.
As only a woman can.

Hey woman.
Claim your body.
Claim your right.
The most fundamental right of a woman
is the pleasure of being a woman.

presenting
playthings
for women
