MAGNIFIED INVESTMENT, AMPLI

FOCUS ON BASIC INFRASTRUCTURE

The Yogi government is committed to making the state a one trillion dollar economy and organised Global Investor Summit in the month of February. The government received investment proposals approx rupees 35 lakh crore through this Summit. The budget reflects the intention of the government to implement these investment proposals. The biggest thrust in the budget of 2023-24 is on mega infrastructure projects and industrial development.

There has been an allocation of 20586 crore rupees for medium and heavy industries in the budget of the year 2023-24. Apart from developing the infrastructure facilities, the provision has been made to develop the Industrial corridor along with them. With the completion of two link express ways of Bundelkhand expressway the connectivity will increase till the Jhansi and Chitrakoot node of the defence corridor. This will propel industrial activities. In the fiscal year 2023 – 24, 9826.95 crore rupees will be spent on capital items under heavy and medium industries which means they will be spent on creating new assets. The budget has provisions for telecommunication and electronic industries and other industries. To open new avenues of investment, employment and industrial development along with releasing the pressure of traffic 150 crore rupees have been allocated in the budget for Jhansi link expressway project.

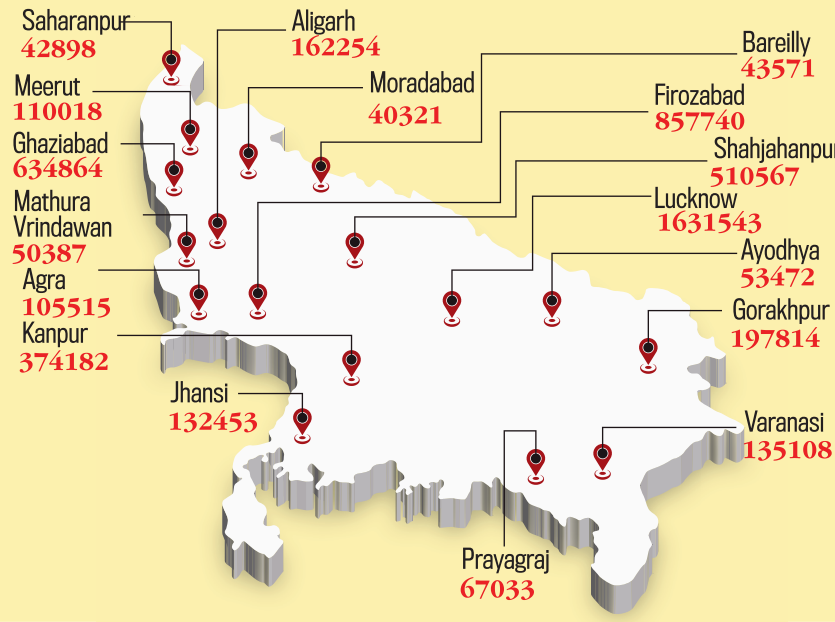

Similarly 85 crore rupees have been given for Chitrakoot link expressway. 878.18 crore rupees have been given for repayment of government loans of UP state yarn company limited, spinning company limited and UP cooperative Katai Mills Sangh limited.

CHALLENGES BECOME OPPORTUNITIES

Challenges are always there to offer something positive. With the same mantra Yogi Adityanath is writing the success story of development in Uttar Pradesh. Fighting against all odds, the industrial development department tried to create an opportunity in the Sandila of Hardoi district under the direction of Chief Minister Yogi Adityanath. The result is a new unit of Berger paints at Sandila with an investment of 1000 crore rupees. The inauguration of Asia's biggest multi products paints factory of Berger paints India limited spread over 37 acres in the industrial area of Sandila in Hardoi district is showing the changed industrial atmosphere of the state.

The Yogi government prepared 25 policies in

EMPLOYMENT OPPORTUNITIES IN DISTRICTS
