FIED EMPLOYMENT

EFFECTIVE POLICIES BECAME THE BASIS OF DEVELOPMENT

different sectors to provide concessions to the investors during the last one year. The Government has done heavy budgetary allocation for these policies for the next fiscal year. Chief Minister Yogi Adityanath has assured investors that the state government will provide security to the investors. Any problem related to the investment will be fixed swiftly. The Yogi government is working in a fast manner to provide skilled human resources to the industries sector. It has carried forward the MOU with Tata technology for 150 ITIs under which 35 thousand youth will get training every year. This institution will continue its association with the State Government for 10 years. The Yogi government has prepared the scheme to carry forward the skill development program with new age trades.

IMMENSE EMPLOYMENT OPPORTUNITIES

The Yogi government will provide employment to 51 lakh youth of the 17 districts with municipal corporation. After the efforts of the Yogi Government, the big companies will not only invest in Lucknow, Gorakhpur, Varanasi and Prayagraj but also in Jhansi and Agra.
The Yogi government is committed to giving employment to every youth of cities like Shahjahanpur Firozabad Aligarh and other municipal corporation areas have already started making plans for it. Very soon this will become the reality on the ground. The maximum investment has come to Lucknow district where 196261 crore rupees will be invested through 782 proposals. This investment will provide job opportunities and make around 16.31 lakh youth independent.
Many big companies are ready to invest in several districts including Gorakhpur, Varanasi, Ghaziabad, Jhansi, Prayagraj and Lucknow. The Yogi government not only improved law and order in these districts but also created a global market after the branding of the local products of these districts.

Now the new business atmosphere will be created here after the arrival of big companies. The leading top 10 companies in GIS like Towchen group of companies are interested to invest in Varanasi Lucknow and Agra while RG strategies group will invest in different sectors in Ghaziabad and Gorakhpur.
NTPC Limited will invest in the power sector in Jhansi and Prayagraj districts while Unicorn Energy will invest in Lucknow and Pandit Vasudev Tiwari skill University will connect youth of Jhansi and neighbouring areas to employment through their investment.

YOUTH BECOMING SELF-RELIANT

The state government has taken many steps for empowerment of youth in the budget of 2023-24. Not only the steps have been taken for the education and employment of the youth in this budget but there are also efforts to make them self reliant. For this purpose there are measures for the encouragement of startups.

DIGITAL EDUCATION BOOM

Rupees 3600 crores have been proposed in the budget of fiscal year 2023-24 for providing tablet and smart phones to the eligible students under Swami Vivekananda youth empowerment scheme. Government is promoting digital education through this scheme.

PROMOTING STARTUP CULTURE

The Yogi government has given special attention to promote startup culture in this budget. Under the UP startup policy 2020 government is promoting startups in sectors like agriculture, health and medical, power khadi, education, tourism and transport.
50 incubators and 7200 startups are functioning in the state right now under this policy The functioning of artificial intelligence has been started in PGI Lucknow, IIT Kanpur and Noida campus.
To promote incubators and for seed fund of startups there is budgetary allocation of 100 crore rupees. Along with it, 60 crore rupees have been proposed for the Uttar Pradesh information technology and startups policy.
20 crore rupees have been proposed for agriculture accelerator fund which is for the purpose of agritech-startup to promote young entrepreneurs of rural areas.

TAKING CARE OF YOUNG ADVOCATES

Government has taken a major step to encourage young advocates. Arrangement of rupees 10 crores have been proposed for the purchase of books and magazines during the 3 initial years of the practice of young advocates and arrangement of 5 crore rupees for the Corpus fund for young advocates.
