direct it along the right lines.

In other words, the problem will be to build up the Party organisation on a broad anti-imperialist front. If we can do that, we shall be prepared to face with hope and courage any crisis that the future may have in store for us. Peasant unrest and labour strikes are an expression of the further growth of mass consciousness since the Congress Party took office.

Question : Are you in favour of broadening further the mass basis of the National Congress as an all-inclusive national front by this collective affiliation of labour and peasant organisations ?

Answer : Yes, definitely.

Question : What policy would you like to see the British Labour Party or a future Labour Government adopt in relation to India ?

Answer : We would like the British Labour Party to stand for the Congress objective in its entirety.

Question : Many questions have been asked about the references to Fascism in the closing part of your book *The Indian Struggle*. Would you care to make any comment on your view of Fascism ?

Many questions have also been asked about your criticisms of Communism in the same section. Would you care to make any comment on this ?

Answer : My political ideas have developed further since I wrote my book three years ago.

What I really meant was that we in India wanted our national freedom, and having won it, we wanted to move in the direction of Socialism. This is what I meant when I referred to 'a synthesis between Communism and Fascism'. Perhaps the expression I used was not a happy one. But I should like to point out that when I was writing the book, Fascism had not started on its imperialist expedition, and it appeared to me merely an aggressive form of nationalism.

I should point out also that Communism as it appeared to be demonstrated by many of those who were supposed to stand for it in India seemed to me anti-national, and this impression was further strengthened in view of the hostile attitude which several
