the point it has so far reached.

The ideas that are now uppermost in the minds of the members of the Forward Bloc at the present time may be summarised as follows :

The Forward Bloc stands for :

(1) Complete National Independence and uncompromising anti-imperialist struggle for attaining it.
(2) A thoroughly modern and Socialist State.
(3) Scientific large-scale production for the economic regeneration of the country.
(4) Social ownership and control of both production and distribution.
(5) Freedom for the individual in the matter of religious worship.
(6) Equal rights for every individual.
(7) Linguistic and cultural autonomy for all sections of the Indian Community.
(8) Application of the principles of equality and social justice in building up the New Order in Free India.

The Forward Bloc is a revolutionary and dynamic organization. As such it does not swear by copy-book maxims or by text-books of Politics or Economics. It is anxious to assimilate all the knowledge that the outside world can give and to profit by the experience of other progressive nations. It regards progress or evolution as an eternal process to which India also has a contribution to make.

Regarding the future career of the Forward Bloc we may confidently say that if it is the product of historical necessity, it will not die. If it has a philosophical justification, it will surely endure. And if it serves the cause of India, of humanity and of human progress, it will live and grow and no power on earth will ever destroy it.

Forward, therefore, and ever forward, my countrymen !
