

PALLE PRAGATHI & PATTANA PRAGATHI ALL ROUND DEVELOPMENT OF VILLAGE AND URBAN AREAS

The Telangana government's flagship programme Palle Pragathi and Pattana Pragathi was launched with an objective to make villages and towns clean and green and resolve the local issues. Telangana is promoting village and town development unheard of elsewhere in the country. Special action plans were implemented for comprehensive and integrated development of basic amenities and civic infrastructure in villages and towns, cities of the state. In eight years government of Telangana conceived model Panchayat Raj and Municipal Acts and effectively implemented them.

A sum of Rs. **256.66** crore is directly released every month to rural local body institutions for taking up developmental activities in the rural areas.

Government fulfilled a long time aspiration of tribals and adivasi by granting Gram Panchayat status to girijan and adivasi Thandas.

As part of administrative reforms the Gram Panchayat number has increased from **8690** to **12,769**.

9355 new posts of village Gram Panchayat Secretary sanctioned and appointed.

Additional District Collector in each district has been posted for the supervision of local bodies development.

It is Telangana government alone that has provided a tractor, trolley and tanker to each Gram Panchayat.

Dump yards also created by each village for maintenance of wet and dry garbage.

Rs.**330** crore provided for new electric poles in each village.

CC roads and LED lights organised in each village.

Government created nurseries to promote greenery and also open gyms in nature parks to promote healthy environment in rural areas.

BruhatPrakritivanam created at each mandal.

VaikuntaDhamams constructed in all Gram Panchayats worth Rs.**1547** crore.
