

GREATER HYDERABAD IS REALLY GREAT NOW

Soon after forming the government, developing the mass transport system was on the top of agenda. It took some time to crystallize, but after 8 years, the government has completed the first and second phases of the Hyderabad Metro Rail project. The third phase works have been launched.

- On an average daily 3 Lakh people are commuting in Metro Rail.
- Under SRDP Scheme, the state government has completed 27 constructions at a cost of Rs. 2,500 Crore. Of these, there are 15 Fly Overs, 5 Under Passes, 6RoB, RuB, 1 Cable Bridge are there. Another 20 works are in progress.
- The Durgam Cheruvu Cable Bridge constructed to ease the traffic jams has become a tourist destination in the city.
- 530 Kms of five main roads are re carpeted.
- In this financial year, 30 Fly Overs, 18 Foot Over Bridges will be newly constructed.
- 39 Link Roads are being laid for an easy access to the ORR. Of these, 22 are completed.

To supply drinking water to Hyderabad city and its future needs, the Telangana government is constructing an Intake Well at Sunkesula at a cost of Rs.1,450 Crore. Water will be drawn from the Krishna River and will be stored in the well.

- The process to supply drinking water for the habitations under the ORR Jurisdiction at a cost of Rs. 1200 crore is under progress.
- Around Hyderabad on its periphery urban forest is being developed in 1.66 Lakh acres.

DEVELOPMENT AND MODERNISATION OF PILGRIM CENTRES-YADADRI TEMPLE RECONSTRUCTION

The Telangana state government is developing all the temples and pilgrim sites to showcase the Telangana spiritual heritage. Restoring the glory, the government has taken upon itself to reconstruct and renovate Yadadri Temple complex with marvellous temple architecture.

- The works on Yadadri temple complex in a sprawling 1000 acres are going on a fast track.
- The development works are being done under Vemulawada Temple Development Authority in Vemulawada

Now, next and beyond – Having executed extremely well all the policies, the Telangana government has raised its own bar for the coming decade. From fighting for the aspiration of the people and then instilling self-confidence among them the state has come a long way. The proactive welfare and developmental schemes has the world taking notice, today it is a matter of pride for 4 crores people of the state that the welfare schemes has become a role model for the nation.
