

RETAIL WOES
A shuttered Lajpat Nagar market in Delhi, Jan. 8

A BUMPY JOURNEY

An already slowing economy received a big pandemic jolt post Mar. 2020. The third wave poses a threat to its recent recovery

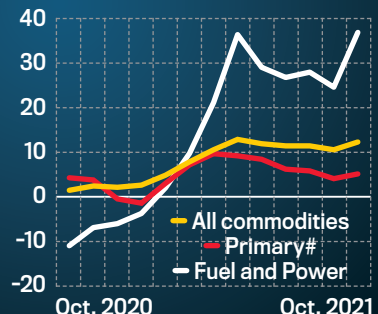

QUARTERLY GDP GROWTH
(Year-on-year %)

THE PRICE SURGE

Wholesale price inflation has risen as a result of high fuel costs and rising prices of certain food items

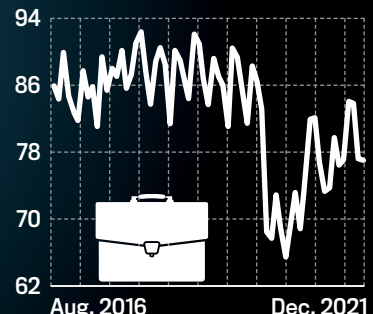

WPI* INFLATION
(Year-on-year %)

THE JOBS CHALLENGE

The situation on salaried jobs had recovered in recent months but could be derailed again by the pandemic

SALARIED JOBS
(in millions)
