

USTM Chancellor M. Hoque addressing students

Additionally, the year 2023 has witnessed the establishment of the IA Ayurvedic Medical College and the University Hospital of Ayurveda and Naturopathy. Unlike other private hospitals, Mr Hoque's medical institutions shall be dedicated to the services of people from all across the region and with special care for the people belonging to the underprivileged sections of society. All sincere effort is going on to set up PA Sangma International Medical College and Hospital by the year 2025 with a vision to change the healthcare landscape of the northeast region and to attract people from neighboring countries to fulfill the aspirations envisioned in the Act East Policy of the Govt of India.

With firm determination, USTM prepares to leave an indelible mark on both the national and global stage.

Mahbubul's Vision 2025 roadmap propels the university towards its ambitious goal of becoming one of India's premier institutions and by 2030 his university must get the touch of becoming a Peoples University with global raking. Aligning with the Act East Policy, it focuses on students from neighbouring countries like Bangladesh, Nepal, Bhutan, and Southeast Asian nations. Mahbubul envisions his educational empire as an instrument of societal upliftment.

As an educationist with a vision, Mr. Hoque's outstanding contributions to the advancement of education in the northeastern region have garnered widespread recognition and admiration. He was honored with the prestigious "Governor's Award for Excellence in Public Service - 2022" by the Governor of Meghalaya on 26th August 2022, Shikshacharya Awardby Asam Sahitya Sabha, the Visionary Edupreneur 2017 Award by Rethink India,

With Prof. AS Kiran Kumar, 8th Chairman ISRO

the Educlusion Award at Re-engineering India Summit-2014 in Singapore, and the Edupreneur Award 2013 by Engineers Watch and many such awards from various prestigious organization in the recent past.

With Director, IISc Bangalore

Mr Hoque's dedication to his mission goes beyond awards and recognition. He firmly believes in the transformative power of quality education in rural areas. Consequently, all of his educational institutions are strategically located in rural regions, reflecting his unwavering resolve to empower and uplift rural India through education. His vision has impacted countless lives, earning him respect and admiration from all corners of society.

He has a missionary zeal to contribute to the nation-building process, following Gandhian principles and being inspired by the lives and dedication of Pandit Nehru, Dr Ambedkar, Maulana Azad and Dr APJ Abdul Kalam. For him, religion does not only speak about particular faith or worship, rather it teaches brotherhood, peace, understanding, and tolerance which glorifies more beauty in a diverse society.

Vice Chancellors from India & abroad with Shri Ram Nath Kovind & Mahbubul Hoque during National Conference of Vice Chancellors-2023
