

Living with Drama

There is perhaps nothing quite as beautiful as spring in the Kashmir valley, and that is why so many artists, poets and writers have been inspired by this magical landscape. The Valley of Flowers collection seen here pays homage to this abundant geography. Layered florals, overlapped ditsy florals and retro florals come together to throw a floral pattern party.

PRICE ₹2,875 to ₹ 5,500 per metre

Cosy Nook

Don't forget the corners when dressing up your space this Diwali. Here fabrics from the Phool Mandi collection bring the room to life. Add sheers with Indian floral motifs to complete the look.

PRICE ₹1,490 to ₹5,950 per metre
