A FLORAL INTERLUDE

THERE'S ALWAYS ROOM TO BLOOM, ESPECIALLY DURING THE FESTIVITIES. TAP INTO FLOWER POWER WITH THESE IDEAS.

Photographs by MANDHAR DEODHAR

It's no secret, flowers can make the dullest of spaces dramatic. This year instead of going for the regular affair, try a twist on tradition with innovative floralscapes. Not only will it elevate the overall appeal, but also make your interiors stand out during the festivities.

LOOK 1
CREATIVE CORNERS

A festive celebration is the perfect time to dress up different corners of the house. Here (*left*), we have created one using cane baskets and *jaali* trunks, bursting with greens and flowers, candles and a fruity twist with bananas. It can also serve as a great photo-op.
