DR. GRACE PINTO - EMPOWERING THE NEXT GENERATION THROUGH EDUCATION

Young people should be prepared for life, work, and citizenship through education. All three purposes of education require knowledge of the natural and engineered environments, as well as how people live in the world. Dr. Grace Pinto has formulated education as an overall process that delivers on the above and enriches the growth of society and nation.

> **DR GRACE PINTO,** Managing Director, Ryan Group

Dr. Grace Pinto has made a phenomenal difference touching the lives of children in providing quality education in India. As a leader and example to others in her field, she stands tall, donning multiple roles with practiced ease. Her passion for teaching saw Grace Pinto starting her career as a school teacher. This laid the foundation for the institution called Ryan Group, that she was to found with her visionary husband Chairman Dr A F Pinto. Thus began her mission to make education accessible and affordable to the children of the country, opening up centres of learning across the nation. As Managing Director, her business acumen coupled with a deep and abiding faith in Lord Jesus Christ has enabled her to partner with her husband in building one of India's largest privately owned and managed chain of institutions spread across 40 cities and 18 states offering K-12 curriculum through state, national and International education with technology integrated pedagogy. She was bestowed the "Women Leadership Award in Education 2023 by Economic Times", "Lifetime Achievement Award 2022 by H. E. Mr. Prithvirajsing Roopun, GCSK, President of the Republic of Mauritius" at Mauritius and "Her Power Award 2022 by the Brand Story". She humbly attributes all her success to God Almighty.

She is responsible for providing overall strategic direction to the organization. Blessed with leadership qualities. she is predominantly engaged in making it more relevant to today's times. As an educationalist and an adherent believer in God, she is comprehensively involved in crafting a modern and phenomenal educational platform. Dr. Pinto and her team remain committed to fostering industry-academia partnerships to impart 21st century skills and provide new avenues to students for 'learning by doing' and to up-skill, reskill and reinvent themselves to keep up with an ever-changing world and emerge not only as industry ready employable youth but also choose their own vocations to be researchers, entrepreneurs and contribute to society.

Her career is packed with many firsts. The Ryan Group was the first in the country to host the International Theatre Festival and Indian Model United Nations (INMUN). The Group hosted the prestigious World Scholar's Cup with record-breaking participation. It holds the record for the largest ever regional round in the history of the World Scholar's Cup. International Cultural Exchange programs are arranged with institutions based in the US, Italy, Switzerland, Australia, Germany, and the UK. The group has partnered with PennHub and the College Board to avail higher education opportunities for the students. Dr. Pinto has collaborated with sport and media professionals to bring in the best resources for her students. The Group provides world-class training to usher in the latest trends in media studies through its full-fledged studios.

Dr. Pinto acknowledges Mother Teresa as her role model in reaching out to the poor and needy of the society. Her willingness to reach out to society and support social causes has been remarkable. She champions the cause of the underprivileged, women empowerment as well as the welfare of senior citizens through several initiatives.

Thanks to the vision and grit of Dr. Grace Pinto, through her efforts, lacs of children are blessed to receive holistic education to grow up as lifelong learners and responsible global citizen leaders.
