DR. SATISH WAGH: LAYING A GLOBAL FOUNDATION FOR THE INDIAN PHARMACEUTICAL INDUSTRY

Dr. Satish Wagh's was a journey of self-discovery. It was about understanding his own potential and what an individual like him can achieve in life. To say the least, his interesting journey has had a major impact in the lives of many, an industry and thus a nation. His dedication to hallmarking excellence is helping the Indian Pharma Industry into the global league.

> DR. SATISH WAGH, Founder, Supriya Lifescience Ltd

Dr. Satish Wagh founded Supriya Chemicals with the sole intention of setting standards in conducting businesses ethically and to provide employment opportunities to the deserving. A double graduate with degrees in Chemistry & Economics, he wanted to stamp India's excellence in this domain, taking upon himself the responsibility to prove it with his venture. Armed with a perfect amalgam of subject knowledge and business acumen, he has transformed Supriya Chemicals into an institution of excellence in the field of Active Pharmaceutical Ingredients. Today, the 36 year old Bulk Drug Manufacturing Company is Supriya Lifescience Limited, with 4 state-of-the-art facilities in Maharashtra & Head Quarters in Mumbai.

Supriya Lifescience Ltd. has a global footprint across 120 countries with a customer base of more than 2000 customers and a portfolio of over 40 Active Pharmaceutical Ingredients (APIs). Under Dr. Wagh's leadership, the company has won approvals from authorities of the USA, Europe, Japan, Latin America, Canada, Australia, China, etc. It is the largest producer of Anti-histamines, Anti-allergic, Vitamins and Anaesthetics range, putting Maharashtra and India on the World Pharmaceutical Map. It employs more than 1000 people with a turnover of over INR 500 Crores, estimated to reach INR 1000 Crores in 4 years.

Dr. Wagh was elected Chairman of CHEMEXIL, the Chemical Export Promotion Council, Ministry Of Commerce & Industry, Government Of India in 1994. Under his leadership, CHEMEXCIL became the nodal agency for REACH Regulation, helping member exporters to pre-register and register their products in EU countries. He vigorously worked to provide Product Registration for Agro Chemicals and introduced the Chemical Inventory Program for the first time in India. He helped formulate

and streamline Export-oriented Policies, Annual Action Plan for promotion of Pharma exports and the Free Trade Agreements.

As Chairman of CETP (Lote Parshuram Environment Protection Co-operative Society Limited), Dr. Wagh upgraded the Common Effluent Treatment Plants in Lote and Roha Industrial Areas in Maharashtra with help from the Ministry of Commerce & Industry. He got the approval for 3 Zero Discharge Plants in Maharashtra to run on PPP basis. He is now spearheading deep sea discharge of treated effluents from Tarapur, Taloja, Lote, and Roha in Maharashtra. The project is under final consideration of the Maharashtra Government. He has also initiated a project for Testing Analytical Laboratory in Lote Industrial Area for Small and Medium Scale Units.

His visionary leadership has been recognized across an illustrious 3 decade long career. He has been felicitated by leaders like the Hon'ble Prime Minister Shri. Narendra Modiji and the Hon'ble President of United States Mr. George Bush. He is a regular recipient of the Indian National Awards for Best R & D, Quality and Enterprise since 1999. He has consistently won the Maharashtra State Award for Excellent Export Performance since 2007-2008.

Dr. Wagh's vast experience has been recognized and featured in various magazines and journals like Indian Economy & Market, India Business Journal among others.

Dr. Wagh was featured in 'Forbes Powerful Performers 2021' for playing a significant role during Covid 19 in providing impetus and enabling India's revival efforts as a nation.
