MG HECTOR

MG Motor India has launched the Hector facelift featuring a new front fascia, reprofiled rear and changes to the interior layout, including a larger new portrait infotainment display. The 2023 MG Hector also comes with MG Pilot ADAS Level 2, along with a 7.0-inch digital instrument display. The SUV continues with the same powertrains–1.5-litre turbo petrol with 143bhp mated to an MT or CVT and the 2.0-litre diesel with 170bhp mated to an MT.

BMW X1

BMW Group India has launched the third-gen X1 SUV, which is bigger than its predecessor. The exterior design has been revised while the interior has been updated with the new BMW Curved Display. There are two powertrains options–a 1.5-litre three-cylinder petrol with 136bhp and 230Nm of torque and a 2.0-litre, four-cylinder diesel that produces 150bhp and 360Nm of torque, both mated to a 7-speed AT.
