

reduced the price of Aavin milk by Rs.3 per litre while hiking the milk procurement price by Rs.3 per litre. In the transport sector, the Government has procured 2,000 new buses and renovated 1,500 old buses at a cost of Rs.1,000 crore. The Government has also increased the total installed power capacity to 34,706 MW.

A TIDEL park measuring 10 lakh square feet is being set up at Tiruchy, estimated to cost Rs 600 crore and generate 10,000 IT-related jobs. In addition, mini parks have been announced in Rasipuram and Karaikudi. In the field of sports development, the Government has organized the 44th Chess Olympiad at a cost of Rs.114 crore and Chief Minister's Trophy competitions at Rs.51 crore. Finally, for the first time ever, an International Book Fair was organized in Chennai in January 2023.

MSMEs

The Tamil Nadu Government has taken several measures to support Micro, Small and Medium Enterprises (MSMEs) in the first two years of governance. To counter the impact of COVID-19, the Government sanctioned a record amount of Rs 602.52 crore as State Capital Subsidy to 5,461 MSMEs for rejuvenating the sector. Tamil Nadu also became the first state in India to have its own general Credit Guarantee program named Tamil Nadu Credit Guarantee Scheme (TNCGS). Under the New Entrepreneur cum Enterprise Development Scheme (NEEDS), financial institutions offered final sanctions to 1,868 projects with a subsidy component of Rs 332.23 crore, while 6,763 beneficiaries were disbursed a subsidy of Rs 66.18 crore under the Unemployed Youth Employment Generation Programme (UYEGP).

SOCIAL WELFARE

Implemented from August 2022, the Moovalur Ramamirtham Ammaiyar Higher Education Assurance Puthumai Penn Thittam program ensures higher education for economically backward girls. 2.09 lakh girl students have benefited, receiving Rs 1,000 per month directly into their accounts. Under the Marriage Assistance Scheme, a sum of Rs 762.22 crore was allocated, providing 8 grams of 22-carat gold coins and financial assistance to 94,700 beneficiaries in 2021-2022. Four schemes were introduced to assist poor widows in their daughter's marriage, orphan girl marriage, widow remarriage, and inter-caste marriage. A sum of Rs 64.39 crore was allotted, benefiting 7,012 beneficiaries. Transgender individuals—8,493 in Phase 1 and 8,591 in Phase 2—received Rs 2,000 each through the COVID-19 relief fund. Construction of Government hostels for working women has been undertaken, benefiting 729 working women.

SCHOOL EDUCATION

A notable initiative of the School Education Department is the "Illam Thedi Kalvi" doorstep education program, which mobilized 2 lakh volunteers to teach 34 lakh students outside of school and is aimed at addressing regression in learning. Additionally, the flagship program "Ennum Ezhuthum" focuses on enhancing reading and arithmetic skills among children. It has reached 13,75,780 children and will be extended to higher classes. To guide students in higher education and employment opportunities, career guidance centers have been established in all high and higher secondary schools under the "Naan Mudhalvan Scheme." Infrastructure development is another area of achievement, with the establishment of hi-tech computer labs in upper primary schools and the introduction of smart classrooms.

TOURISM & CULTURE

The Tourism, Culture, and Religious Endowment Department has achieved significant milestones in various areas. In terms of tourism development, several projects have been launched. These include the development of popular tourist destinations

HIGHER EDUCATION

The Chief Minister's Research Fellowship provides a monthly stipend of Rs. 25,000 for three years to 120 eligible scholars from various streams. In order to promote equitable access to engineering education, 16,647 Government school students have been admitted to engineering colleges under a 7.5% internal reservation. To ensure the smooth functioning of Government colleges, existing vacancies for Assistant Professors are being filled by Guest Lecturers. Women-friendly diploma courses and short certificate courses have been introduced to increase female enrolment in polytechnic colleges. To expand educational opportunities, 20 new Government Arts and Science Colleges have been started.
