

DR SHELJA SEN

Family therapist & Co-founder, Children First

"Follow the 'You-Me-We' strategy while communicating with children: I listen to you even though I may not agree; I explain my point of view; and we find out how we can manage this together"

RAJAT SONI

Author, Youth & Parenting Coach

"Parents should spend exclusive time with their kids with a non-judgemental mindset. This involves having a conversation without devices and one that doesn't involve studies or careers"

DR SAMEER MALHOTRA

Director and Head, Department of Mental Health and Behavioural Sciences, Max Healthcare

"There is a heightened expression of emotion these days. The ability to tolerate stress has gone. So, the children's reactions are much more severe"

SANJAY KUMAR

Secretary, Department of School Education & Literacy

"We have 26.4 crore children going to 14.89 lakh schools, being taught by 97 lakh teachers...and their examination system is being governed by 60 school boards. These are the numbers we are [dealing with]"
