## ONE OF THE PREMIER INSTITUTES FOR TECHNICAL EDUCATION FOR LONG, IIT DELHI HAS ALSO TAKEN THE LEAD OVER OTHERS IN NEW AREAS OF INTERDISCIPLINARY LEARNING, RESEARCH AND INDUSTRY LINKS

By Shelly Anand

Continuing its tradition of excellence, the Indian Institute of Technology (IIT) Delhi has been at the forefront of research, innovation, collaborations and tie-ups, curricula redesign, and industry-academia partnerships to keep pace with changes in higher education.

One of the seven original IITs and set up in 1961, IIT Delhi was given the 'institution of eminence' status in 2018 and was granted almost full autonomy. The college offers several undergraduate, postgraduate and doctoral programmes.

In what is another feather in its cap, in June, IIT Delhi was ranked the third best among all educational institutions in the overall category by the NIRF (National Institutional Ranking Framework) 2023; it was judged the second-best institute in India under engineering in the subject-wise category.

Several reasons make IIT Delhi one of the premier institutes for technical education. The
