EFL UNIVERSITY IN THE FRONTLINE OF IMPLEMENTING NEP 2020

The English and Foreign Languages University (EFLU), a Central University of global eminence in the domain of languages and literatures, located in Hyderabad, Lucknow and Shillong, is in the frontline of the implementation of National Education Policy 2020 (NEP 2020), in pursuit of the vision of the Hon'ble Prime Minister Shri Narendra Modi.

PROF. E. SURESH KUMAR
Vice Chancellor, EFLU & Member, UGC, New Delhi

The EFL University, under the leadership of Prof. E. Suresh Kumar, Vice Chancellor, was entrusted with the responsibility of preparing a Concept Paper for the effective implementation of the NEP 2020 in 11 States and one Union Territory, appraising their strengths, weaknesses, opportunities, and the challenges. The University in its pivotal role conducted regional level workshops, and an exhaustive State-specific consultative process towards realizing the goals of the Policy. In reflection of the spirit of NEP 2020, the University strengthened its initiatives for skilling and upskilling of the students to become globally competent and thus reasserting the country's rich legacy of knowledge. The EFL University has been implementing NEP 2020, under the able guidance of Shri Dharmendra Pradhan, Union Minister, Ministry of Education, Skill Development and Entrepreneurship.

The Vice Chancellor leads from the front

NEP 2020 mandates that school students be offered foreign languages to enrich their global knowledge and that teaching be enhanced through Apps to engage them and address their developmental needs. Realizing these needs, EFLU designed Open Language Learning Resources (OLLRs) in Chinese, French, German, Japanese, and Spanish which can be accessed at http://ollr.efluniversity.ac.in/ and EnglishPro (https://play.google.com/store/apps/details?id=com.glt.eflu), an App that helps students improve their English pronunciation in Bharatiya Way, which were launched by Shri Dharmendra Pradhan, Union Minister, Ministry of Education, Skill Development and Entrepreneurship, and the then Union Minister of HRD, respectively.
