Creating Global Research Impact

A Young Indian University **Among World's Top Research Universities**

Times Higher Education (THE) 2023

Started by academicians, **Shoolini University is a hotbed for ground-breaking research and innovation.** The breadth, rigour and interdisciplinary nature of our research allows us to focus on solving real-world problems. This is evident in the quality of our research output that is at par with the **World's Top Research Universities.** And confirms our belief that from small Indian towns can arise those who will match the best in the world.
