

> Galgotias University was born out of a dream. A dream for India to redefine higher education in India. Our Vision is to empower young India and young people for a sustainable and better future of mankind. We are committed to fulfill the dream of our Prime Minister Narendra Modi to make India a 'vishwaguru'.
>
> **— Suneel Galgotia, Chancellor, Galgotias University**

the university by the visionary leadership of its young and dynamic CEO Dr. Dhruv Galgotia has proven to be an extremely beneficial. Students are provided with resources, support systems, and in many cases even funding to initiate great ideas into greater manifested businesses.

Shubham Rawal is one of the examples of a truly inspiring story. He is the co-founder of "StockPe", a noted startup company. He has been one of the top performers coming out of the entrepreneurship cell at Galgotias University. While battling on the personal front due to his father's death, Shubham, was also in the process of bagging his first round of funding. The fresh entrepreneur acknowledges his father for instigating him into coding and computers. At the same time, he also credits the CEO of Galgotias Group, Dr. Dhruv Galgotia for carving a path out for him along with providing support as an entrepreneur.

Not only Shubham, but there are so many more who have carved a niche for their professional selves. Dr. Avantika Tomar is a partner at Ernst & Young's educational consulting division, Partheno. Dr. Tomar has found a professional identity as a financial advisor. She advises governments, universities, corporates and other stakeholders on strategy and consulting. Not only these, she has worked with international firms like the Boston Consulting Group, as well as two leading corporates in Australia for close to 5 years. Recently she visited her alma mater, the Galgotias Group, home to Galgotias University (GU) and Galgotias College of Engineering and Technology (GCET). She was a student of the a BTech Mechanical Engineering graduate students batch of 2006. Dr. Tomar is a stellar example of the quality of professionals that Galgotias has strived to achieve through its higher education.

Dr. Avantika was all praise for the rapid strides the Galgotias Group of Institutions had taken in the recent decades. She was especially appreciative of the entreprenurial culture which has incubated over hundreds of entrepreneurial ventures with over one hundred of them progressing to be well defined startups. She never fails to show gratitude for Galgotias management and faculty. She encourages the present batch of students to not only excel academically but also in innovation and creation. She keeps urging them to utilize the sprawling infrastructure and facilities at the Galgotias campuses to their full advantage.

- In the realm of quality education by delivering consistently excellent results across academics, research and placements, Galgotias University based in Greater Noida has swiftly emerged as a world leader. It has strived to establish an extension of the vision of Hon. PM Shri Narendra Modi Ji of making India a Vishwaguru and the dream of Hon. UP CM Shri Yogi Aditya Nath Ji of making Uttar Pradesh a truly Global Knowledge Superpower.
