Apart from NAAC, Galgotias has fared well in NIRF 2022 rankings as well. In the NIRF 2022 Rankings, Galgotias attained 59th Rank in Pharmacy, 93rd Rank in Management and 147th Rank in Engineering. Throughout the domains of engineering, management as well as pharmacy, Galgotias group of institutions has achieved excellence in rankings and accreditations. The various departments at Galgotias University have been performing exceptionally well. In the GHRDC Survey, the School of Hospitality & Tourism secured the 2nd rank in Uttar Pradesh. The B. Pharma Program received accreditation from NBA (National Board of Accreditation). The School of Nursing accomplished a remarkable feat by achieving 100% placement for its students. Additionally, the School of Law earned the 3rd rank in a recent national survey. A key part of the university system is the fertile grounds it lays down for innovation. Galgotias has ranked at the top, having been placed in the Excellent Band under the Union Government's ARIIA framework.

The University attained national limelight when it received 3,99,373 applications under the newly introduced CUET exam. The number instating the university's reputation among the top 8 preferred universities in the country for admissions. Galgotias University has taken a big step to ensure higher standards and transparency in its postgraduate programs. It has become one of the eight additional universities to join the Common University Entrance Test PG (CUET PG), a new test introduced with the collaboration of 42 universities, including well-known ones like JNU and EFLU. This move reflects the university's forward-thinking vision and its aspiration to be among the top 50 internationally renowned universities and institutes in India.

In the new session, the University has opened its gates for student admission in July 2023. It is offering a number of professionally focused programs to aid a holistic development of students as well as ensuring an overall growth and placements after the perusing of the programs. UG/PG/PhD degrees across almost every domain including engineering, computer science, business, pharmacy, nursing, medical & allied sciences, law, hospitality & tourism, agriculture, media & communication studies, liberal education, basic & applied sciences, finance & commerce, and more are available for students to explore and find a suitable space where they can create roots for a successful career ahead. Even though a young University, Galgotias institutors under the guidance of its Chancellor Suneel Galgotia and dynamic leadership of its CEO Dr. Dhruv Galgotia, have paved a success filled path for not only its own brand name but also its students who have gone to set benchmarks of success in their respective fields. The university has garnered a bankable and exceptionally knowledgeable faculty, created tie ups with MNCs like Infosys, Cognizant & Wipro that have served extremely beneficial for its students, as well as created future plans for the establishment of its healthcare and hospital sector. Galgotias has succeeded in providing over 96% placement to its students in some of the world's largest firms in the last 5 years. Even through the Pandemic, the numbers have not receded but only gone up with regard to these placements. This greater Noida based University has strived timed and again to maintain its standards of excellence and in the process has risen to global standards.

> The emergence of Galgotias University as well as other private universities among top preferred universities in the country in terms of number of applications received under CUET for the last two years, shows the credibility and commitment of private Universities towards higher education. Galgotias university has achieved many honours at National & International level and is standing among top institutions in NAAC, NIRF, IIRF, ARIA, INBA and 12B."
