panels. One remarkable addition is Justice JR Midha, a retired Delhi High Court Judge, who joined as an Advisor and Professor Emeritus at GU. Justice Midha worked towards the reformation of the legal education in India by emphasizing rational thinking, logical processes, legal reasoning, and effective communication skills in professional advocacy. These initiatives demonstrate Galgotias University's commitment to providing excellent education and fostering innovation and growth among its students and faculty. Before long, Justice Midha's vision took shape in the form of a ground-breaking enterprise. Galgotias University, under his guidance, introduced India's inaugural judicial training program. In collaboration with Universal Institute of Legal Studies & Law Curators, Galgotias' School of Law proudly presents the esteemed "Advanced Course on Judicial Service & Professional Advocacy." Galgotias University has earned praise for offering this Value Added Course at no charge to the students. The course aims to keep students well-informed about recent case of laws and instill in them the significance of hard work, dedication, and perseverance needed to become exceptional legal professionals.

THE ROLE OF EMOTIONAL INTELLIGENCE

Galgotias University has strived repeatedly to create an environment of holistic growth for its students. In its pursuit, it set up a conscious practice of aligning aspects of emotional intelligence for its students. This was done through a number of ways like, aligning programs and syllabus, assigning extra-curricular and co-curricular activities as well organising of workshops and sessions to hone the skills of emotional intelligence. Galgotias recognises that for placements, companies not only look at academic achievements but an overall growth of the candidate. There is a heavy emphasis on the estimation of the candidate's emotional wellbeing. It is to tackle this aspect of the recruiting process that Galgotia has targeted emotional intelligence as one of the goals to be achieved for its students to make them industry ready. The students learn to align their material achievements with a gravity which comes through the mastering of one's emotional aspects. The Univeristy's Value Added Course called "Non Violent Communication" is a unique take academically towards the pursuit of such holistic development of its students.

Galgotias University's School of Liberal Education, in collaboration with Gandhi Smriti and Darshan Samiti (GSDS), Ministry of Culture, Government of India, organized this 30-hour value-added course focused on 'Non violent Communications.' It consisted of a series of lectures on the theme, expertly designed and presented by GSDS. Galgotias University has also had the honor of hosting the Grand Finale of Toycathon 2021-2022 (Physical Edition), a unique event under the 'Aatmanirbhar Bharat Abhiyan' launched by Prime Minister Narendra Modi. This event challenged India's innovative minds to create toys and games based on the country's rich civilization, history, culture, mythology, and ethos. Galgotias University stands out as a nurturing ground for exceptional high achievers. Through its diverse range of academic programs, innovative initiatives, and industry collaborations, the university instills in its students the values of excellence, perseverance, and a relentless pursuit of success.

The remarkable achievements of its students, both in academics and co-curricular activities, bear testimony to Galgotias' commitment to grooming individuals who can make a significant impact in their chosen fields. With an unwavering focus on holistic development and a supportive learning environment, Galgotias University continues to pave the way for the next generation of exceptional leaders and achievers.
