

THE COLOUR OF EXCELLENCE

This is our green seal. Since 2015, it is the new mark of our watchmaking excellence. There is nothing to distinguish it from any official seal, yet its inscriptions and colour make it unique. Its green hue attests to the superlative standards of both quality and performance to which we hold every single element of any and all of our watches: precision, water-resistance, autonomy, reliability and durability. For this simple seal bore witness to the epic journey each has undergone in our workshops, from initial sketch to final tests before shipping. Of all the components which compose our watches, this seal is not the hardest to manufacture but it is wholly our own and its value is immense. Because it carries the promise of our unwavering commitment.
