let recipes and a workshop with the IARI (Indian Agricultural Research Institute) on multigrain and maize flours and microgreens was also organised. State-of-the art culinary equipment was installed in several kitchens at the institute to make them ergonomically sound.

The students did exceptionally well and won national-level accolades in the regional and state rounds of the WorldSkills Competition in culinary, restaurant, floristry and hotel reception skills. They received the medallion of excellence in floristry skills at the national level. One of the students is also set to represent India in hotel reception skills at the WorldSkills Competition to be held in Beijing in October this year. As part of its effort to continue infrastructural development in various areas within the campus, the institute in the past one year has grown and maintained organic vegetable and fruit gardens, medicinal plants and air purifier plants.

After being shut for more than a year due to the pandemic, the institute finally started in-person practical classes in October 2021. But in December they again had to stop due to the Omicron wave and finally reopened in February this year. But the institute did offer flexibil-
