

The Formula of Success ...

ST. PAUL'S CREATING GLOBAL LEADERS

St.PAUL'S DEGREE & PG COLLEGE was established in the year 1994. We are having 28 years of excellence in the field of education. Since 28 years St. PAUL'S is imparting values and nurturing excellence in the mind of students. St. PAUL'S is affiliated to Osmania University which is having an history of more than 100 years.

St. PAUL'S is expertise in providing excellent education in the field of commerce and management. St. PAUL'S has seen its growth towards "excellence" from the day of its inception.St. PAUL'S Degree College produced so many professionals like Chartered Accountants. Many of our students studied in foreign universities and working as CEOs in top companies worldwide. With our encouragement and guidance many of our students started their own business. HRs of top MNCs have recruited our students in college placements.

Admissions

From the day of its inception St. PAUL'S Admitted more than 7000 students. All these students are graduates and leading most respectable and wonderful life in the society.

Teaching Staff

Teaching Staff are well qualified. They are trained with latest methods of teaching using latest technology. They are professional to share latest knowledge.

Infrastructure Facilities

- Classrooms are spacious and well ventilated with free flow of air and light. Each classroom is equipped with over head projector, screen, computer system, speakers and internet facilities.
- Computer Labs are well equipped with latest technology like updated computers, software, internet facility, overhead projector, screen and speakers.
- Students are provided purified mineral water.
- College Campus is observed with surveillance cameras.
- Power Generator facility for uninterrupted electric supply.
- Attendance of staff and students is observed with Bio-Metric Machines.

Library Facilities

There are more than 50000 Book Titles in the library. Students are given free textbooks for every semester from the library.

Our library consists of daily, weekly, monthly and annual subscriptions. Students are provided business related subscriptions like Economic Times, Business India, Entrepreneur, Forbes, Business Today, Business World, Outlook Business etc.

Certificate Courses

St. PAUL'S is offering many certificate courses like Digital Marketing and Accounting Courses. Many students joined in these certificate courses and secured additional skills in the areas of MS-Excel, Digital marketing and accountancy courses like Tally etc. These additional skills helped our students in campus recruitments.

Task

St. PAUL'S is registered with Telangana Acadamy for Skill and Knowledge. On registration with this academy St. PAUL'S students are trained with softskills in the areas of English Communication, Mathematical Ability and Computer Skills. This helped our students to show excellent performance to grabbing jobs.
