to do research in their topics of choice under a faculty mentor for publication in the SRCC academic journal *Strides*.

To aid academic learning and research, SRCC coordinated with the Delhi University Library Systems so that faculty members could have full access to the electronic resources of the Central Library. It coordinated with the School of Open Learning to ensure students could access online references, study material, video lectures and the e-Pustakdwar 24x7 portal. The college also worked with the National Digital Library of India to make available over 600,000 books and other study material.

The efforts show on the ground—placements for both undergraduate and postgraduate programmes rose significantly for the academic year 2020-21, with better salaries and more companies visiting the campus. The median salary for UG programmes increased from Rs 6,40,000 per annum in 2019-20 to Rs 6,54,000 in 2020-21. The median salary for PG programmes went up from Rs 9,50,000 p.a. to Rs 10,21,000. ■
