Celebrating 50 Years of Excellence

Dedicating ourselves to make India healthier

Symbiosis Aarogya Dham

In its golden jubilee year, Symbiosis has established the 'Symbiosis Aarogya Dham' over 70 acres of land at the Symbiosis International (Deemed University) Campus at Lavale, Pune. The Aarogya Dham consists of Symbiosis Medical College for Women (SMCW) which is the first fully residential medical college for girls in the state of Maharashtra and offers free medical education to five meritorious girl students for the entire M.B.B.S. programme. The 900-bedded Symbiosis University Hospital & Research Centre (SUHRC) attached to this medical college provides free treatment and quality healthcare to the neighbouring villages.

Institutions under the Faculty of Health Sciences viz. Symbiosis Institute of Health Sciences (SIHS), Symbiosis School of Biological Sciences (SSBS), Symbiosis College Of Nursing (SCON), Symbiosis Centre for Health Skills (SCHS), Symbiosis School of Sports Sciences (SSSS), Symbiosis Centre for Emotional Wellbeing (SCEW), Symbiosis Centre for Yoga (SCY), and research centres in specialised areas are also housed in the Symbiosis Aarogya Dham. The imposing arched gateway to the entire Symbiosis Aarogya Dham is named 'Symbiosis Suvarna Mahotsav Dwar'.

Symbiosis has adopted 23 villages around the University campus to provide quality healthcare through the Symbiosis 'Family Doctor' Rural Mobile Medical Van and Digital Literacy through the 'Symbiosis Rural Mobile Digital Literacy Labs'.
