WHAT DO THESE ACHIEVERS HAVE IN COMMON?
Their alma mater

NMAM Institute of Technology not just gave them an education in engineering, but also wings to go out into the world.

And there are many like them, Vice Presidents, Actor-Directors, Founder CEOs, Civil Servants, Defence Personnel. All over India and abroad.

Our role in their success? Maybe the leadership skills we instill in them during their years with us. Or the spirit of fair play.

Whatever it is, our hearts fill with pride each time we hear of a student doing his bit to make the world a little better.
