

LLOYD LAW COLLEGE

EARN A CAREER, NOT JUST A DEGREE!

Since its inception Lloyd Law College is determined to produce the best Legal Professionals and does not leave any stone unturned in providing world class training and exposure to all students. After undergoing an intensive training from top notch faculties and legal luminaries, our students outperform in all stages of life.

Amongst 15000 BALLB students appearing for the University exams, all three medal holders; Gold, Silver and Bronze were students from Lloyd Law College. Occupying all three positions at the University level is an achievement that Lloyd Law College gained after imparting unmatched legal education to its students.

What sets us apart from the rest is our specially curated skill based course curriculum that makes our students industry ready as soon as they complete the degree. We have 25+ skill development centres dedicated for holistic development of our students, like, Moot Court Cell, Trial Advocacy Cell, Debate Society, Corporate Law Practice Center, Alternative Dispute Resolution Center, Judicial Services Preparation Center, Legal Aid Cell and numerous others. These Skill Development Centres are run by top notch legal luminaries who train and polish the skills of our students.

LLOYD JUDICIARY SERVICES PREPARATION CENTER

Lloyd Judiciary Services Preparation Center is one such cell dedicated to provide exclusive training to students willing to appear for the judicial examinations. More than 25 students from the Lloyd Judiciary Services Preparation Center have been selected and joined the judiciary in different states. Further in the session 2021-22 total 13 students have qualified for different state judiciary exam out of which 5 students have been selected for final rounds of the judicial examinations. Such commendable result is an outcome of the specialized training they receive from renowned industry experts having experience in the field for over a decade.
