Schooling Par Excellence in Swami Atmanand English Medium Schools @ Chhattisgarh

Ensuring Quality Education to Every Child

The Bhupesh Baghel led Government of Chhattisgarh is on a mission. A mission to transform lives of children through world-class and quality education. Not just to some but to every child. With the special emphasis on school education, Chhattisgarh Government is poised to take school education in the state to the next level through Swami Atmanand English Medium Schools. These schools were started in the academic session 2019-20, to make school education accessible and affordable to one and all, especially those belonging to economically weaker sections. These schools will give wings to the dreams of poor children. Started with just three schools three years back, the scheme is now a huge success. As many as 52 schools were opened in the first phase which witnessed a heavy influx of applications for admission. Presently, 171 Atmanand schools are being operated in the state. Chief Minister Bhupesh Baghel has announced opening of 50 more Atmanand schools, in view of the surge in demand for seats in these schools. Preparations for the same are in full swing. These schools will be operated in all the assembly constituencies of the district in the coming days, thereby, increasing the opportunities for children hailing from villages to study in English medium schools. Most importantly, it has proven to be a blessing in disguise for the parents who faced tremendous financial distress during the Covid-19 onslaught. This led to the surge in demand for the seats in the schools.

State-of-the-art Facilities for Students

World Class Infrastructure, Inclusive Education, Vocational Education, Smart Classrooms, Free Uniform, Free Text Books, Clean Environment, Fun Learning Activity, Mid Day Meal, Sufficient numbers of English and Hindi Lecturers, Physical Education Teachers, Librarians, Office Assistants, Watchmen, and part-time Sanitation Workers have been recruited in these schools.

> **It is quite encouraging that Swami Atmanand Schools have become a brand of a kind, and they are in high demand among parents and students. That is why every parent desires to get their children enrolled to these schools. Considering the huge demand, state government is increasing the number of schools as per the requirement. There will be more such schools in the coming years. Even with increasing numbers, the quality of the education would not at all be compromised and the children will be having sky-high confidence.**

Result Oriented

Excellent performance of the students in the examination of academic session 2019-20 has further proven the effectiveness of Swami Atmanand Excellent English Medium School Scheme. The students did extremely well in the academics. Besides, the schools have also made their mark in online education. As a result, more than 30 per cent children studying in private schools have shifted to these schools.

From 3 to 171 Schools in Just Three Years

The initiative by Chief Minister Bhupesh Baghel to open government English medium schools in the state was meant to provide opportunities to the children from economically weaker sections. Three Swami Atmanand English Medium Schools were started in Raipur in the academic session 2019-20. 52 schools were opened shortly after that and another 119 later on. Presently 171 schools are being operated in the state. With the huge demand still coming in for these schools, the state government has decided to open 50 more schools in the near future. Not just the number of schools, the number of seats has also been increased from 40 to 50 in each class.

1.35 Lakh Students and Counting

Presently, over 135000 thousand students are getting quality education free of cost in 171 Swami Atmanand English Medium Schools. With the opening of new schools, about 30000 more students will be able to get their education here.

Atmanand Hindi Medium Schools

"Quality Education to all" is among the topmost priority of the state government. Therefore, Swami Atmanand Hindi Medium Schools will also be opened in every district of Chhattisgarh for the children who are more compatible
