

PRINCIPALS' ROUNDTABLE:

PROFESSOR ANJU SRIVASTAVA

Principal, Hindu College

"We encourage our students to invest in developing interests across multiple subjects... it is increasingly important to build more flexible skillsets, to adapt to the ever-changing labour market demands"

PROFESSOR GAURAV RAHEJA

Head, Department of Architecture and Planning, IIT Roorkee

"At IIT Roorkee we work all days, Within this opportunity there is flexibility. It's not about learning only in classrooms– it's about peer learning, managing learning in a certain way, which is the need of the hour"

PROFESSOR FATHER VIJU P. DEVASY

Director, Christ (Deemed to be University), Bengaluru

"We try to connect students with the industry. Every Saturday, sessions are by industrialists. For the BCA programme, almost all students in the final semester spend time with the industry"

POONAM VERMA

Principal, Shaheed Sukhdev College of Business Studies

"We converted the pandemic into an opportunity through technology. Mandatory internship was difficult, so our students took up 50-hour online programmes as an alternative"
