RAPIDLY MOVING TO BECOME LEADING STATE IN COUNTRY

The kind of development which the double engine government is doing in Uttarakhand is getting unprecedented support from the public of the state. After reaching at the helm of affairs a second time in Uttarakhand, Chief Minister Pushkar Singh Dhami is now making a double effort to make the state according to the dreams of Prime Minister Narendra Modi. Under the guidance of Prime Minister Narendra Modi, the state government is working continuously with the Mantra of 'Vikalp Rahit Sankalp'. The atmosphere created in Uttarakhand for development resulted in the selection of the state in 'achievers' category in the ease of doing business ranking, issued by the central government. The state is getting new dimensions with the commitment of Chief Minister Pushkar Singh Dhami to make Uttarakhand as the leading state of the country. In continuation of the directions given by Prime Minister Narendra Modi Uttarakhand has achieved 100% target in PM Kisan Nidhi, Soil Health Card and Aayushman Bharat schemes. Uttarakhand is getting continuously included in the leading states in the country in Pradhanmantri Rojgar Srijan karykram. Under the apt management of Chief Minister Pushkar Singh Dhami, Uttarakhand is also included in the leading states of the country in schemes like One District-One Product, women entrepreneurship promotion scheme and start up policy.

According to the expectations of Prime Minister Narendra Modi, Chief Minister Pushkar Singh Dhami is doing all efforts to make Uttarakhand a leading state in the country in every field. For this, Chief Minister Dhami has made changes in the work culture of Uttarakhand. Helpline number 1064 has been started with the mantra of simplification, solving issues, fixing problems and curbing corruption. There has been phenomenal quality improvement in the work culture due to the transparent system of transfer act, aapni sarkar portal, E-cabinet, E-office, CM dashboard utkarsh, CM helpline 1905 and the right to service. Monday has been announced as 'no meeting day' in the secretariat so that the officers in the government should remain available to meet the people. The district level officers have also been instructed to remain available from Monday to Friday, from 10:00 a.m. to 12 noon in their offices to meet with the general public. Biometric attendance has been made compulsory so that officers and employees must come to the office on time. State government is providing three gas cylinders free of cost to the poor families. Budgetary allocation has also been made in this regard.To expedite the development in Uttarakhand, Chief Minister Dhami has instructed all departments to prepare a road map of development works for the next 10 years. In the last 5 years, Uttarakhand has performed exemplary in different sectors. In the sustainable development goals index Uttarakhand was on 10th place in 2018, but now it has jumped to the fourth place. In other various social economic indexes also Uttarakhand is among the leading states of the country.
