DHAMI GOVERNMENT WORKING FOR EVERY CITIZEN OF STATE

The Pushkar Singh Dhami government in Uttarakhand is working on the principle of Prime Minister's Mantra Sabka Sath - Sabka Vikas - Sabka Vishwas. Efforts are being made to bring the deprived section of the society into mainstream. State has set the target to provide houses under Pradhan Mantri Awas Yojana to around 55000 poor people. Home stay scheme is strengthening the rural economy. The Uttarakhand government is providing loans up to 3 lakh rupees to farmers and up to 5 lakh rupees to women and self help groups without any interest. The “Farm Machinery Bank” scheme has been launched for those farmers who do not have any agricultural equipment. For this 80% subsidy is being provided from the government. Tea gardens of Dhaula Devi, Munsyari and Betalghat are converted into organic tea gardens. State government has increased the budgetary allocation for establishing Gau Sadans (cow shelter houses) six times for the security and conservation of cows. The Dhami government is committed to the development of far flung and backward areas. For the border areas, the Chief Minister's border area development scheme has been launched. One district two product scheme based on vocal for local will provide avenues of self employment for the local people along with providing world class identity to the local products. Loan up to 50000 rupees is being provided through banks under Chief Minister Self Employment Micro Entrepreneurship Scheme. Under the Prahari scheme, ex-servicemen and youth of the state are being given all necessary assistance for settling in the areas close to the international border. The amount under Vyapari Durghatna Bima scheme has been increased from 5 lakhs to 10 lakh rupees.

FOCUS ON YOUTH

To provide employment opportunities to the youth of the state in foreign countries, sanction has been given to constitute foreign employment division in the state. Chief Minister Migration Prevention scheme has been launched and budgetary allocation of 25 crore rupees has been made in this year's budget. Tablet distribution among the students of government degree colleges and government schools of the state has been started to make online study more convenient. State is also encouraging sports and sports persons. Efforts are being made to develop sports college Raipur as an international level sports university. Under the Mukhyamantri Udaiman Khiladi Unnayan Khel Chhatravritti scheme, there is a provision of 1500 rupees as scholarship per month to the promising sports persons of the state between 8 years to 14 years. 10 crore rupees have been allocated in the budget for opening gyms at village level. Uttarakhand is first among all states in the country on the basis of school wise competition for nomination to inspire award.

NUTRITIOUS FOOD TO CHILDREN

The efforts of Chief Minister Pushkar Singh Dhami to provide nutritious and high quality food to school children are showing results. The 63rd centralised mid day meal kitchen was started at Sudhowala Dehradun with the help of Akshay Patra Foundation, The Hans Foundation and education department. More than 35000 students of around 500 schools will get mid day meals with the help of a centralized kitchen.

Currently more than 5 lakh children are getting mid day meals from the government. State government is providing free books and bags to the students of class 1 to class 12. Along with that, the government is also ensuring all kinds of arrangements in the schools so that children do not get any problems in their studies.

THRUST TO HEALTH SERVICES

In Uttarakhand, patients are getting 207 types of pathological tests done free of cost under a free check up scheme. Health infrastructure has increased manifold. Under Ayushman scheme more than 4 lakh 80 thousand patients have taken free of cost treatment till date. Under the scheme, more than 755 crore rupees has been given for treatment of patients. Government has given Covid relief package of around 200 crores for people related to tourism transport and culture, 205 crore rupees for people related to the health sector and 18 crore rupees package for women self help groups and beneficiaries related to self employment schemes of the state government. The destitute children affected
