FREE TREATMENT

FOR ALL IN RAJASTHAN

"Spending on health is one of the biggest concerns of every family. Taking a humanitarian step to beat the worries of common man, the Government of Rajasthan has started the **Chief Minister Chiranjeevi Health Insurance Scheme,** due to which all the residents of the State are now receiving better health facilities, that too **FREE OF COST.**

Treatment of serious diseases related to Heart, Cancer, Neuro, Covid, Black Fungus and expensive procedures like Cochlear Implant, Bone Marrow Transplant, Kidney Transplant, Heart Transplant, Liver Transplant, Knee Replacement and Dialysis are also being provided free of cost under this scheme in government as well as private hospitals.

I am glad that so far more than 12 lakh patients have availed the benefit of free treatment worth approximately Rs. 1400 crore under this scheme. It is our humble effort towards providing the Right to Health to the people of the State. I hope that like Rajasthan, every citizen of the country gets the same kind of free health facilities."
