Infrastructure

THE BUILDING BLOCKS OF GROWTH

The MDA government has kick started several key infrastructural projects aimed at multi-dimensional development in the state

Long Pending Hospitality Projects

Courtyard by Marriott

PROJECT COST ₹ **200** crore

STATUS Expected to be completed by August 2022

Vivanta by Taj *(Crowborough)*

PROJECT COST ₹ **75** crore

STATUS Completed

With the decisive leadership of the government, Courtyard by Marriott and Vivanta by Taj (Crowborough) Hotels have been revived and brought close to completion. These two hotels will add about 300 high value rooms, which would provide immense boost to the tourism industry in the state.

Shillong IT Park

PROJECT COST ₹ **40** crore

STATUS Completed

Shillong IT Park will fulfil the aspirations of the youth graduating from the state. It has already generated 1,500 jobs and has the capacity to generate 3,000 more jobs, thereby curbing the migration of the skilled youth in search of employment from Meghalaya.

Sector	Increase in spending
Healthcare	70.9%
Education	64.3%
Agriculture and allied fields	45.2%
Social welfare	103%
Water Supply and Sanitation	80.9%
Road connectivity	62.5%

Tribal Research Institute, *West Garo Hills*

PROJECT COST ₹ **42** crore

STATUS Expected to be completed by June 2023

A vibrant centre for research and documentation of different tribal cultures of not just Meghalaya but the entire north-east region. This centre was envisioned by the former chief minister of Meghalaya and Lok Sabha speaker Late PA Sangma.

Tura Incubation and Youth Centre

PROJECT COST ₹ **23** crore

STATUS Expected to be completed by May 2023

Tura Incubation and Youth Centre aims to promote regional start-ups and provide employment opportunities.

Shillong Business cum Tourism and Cultural Centre

PROJECT COST ₹ **216** crore

STATUS Under construction

Developed on a land of 1.76 acre at Police Bazaar Road, Shillong, it is expected to resolve many challenges of the state capital and play a multi-faceted role.

PA Sangma Integrated Sports Complex, Tura

PROJECT COST ₹ **128** crore

STATUS Expected to be completed by December 2022

It will be a world class sports infrastructure for hosting national & international tournaments, with a sitting capacity of 10,000.
