▲ DRINK FROM TAP: 24X7 WATER SUPPLY–A TRANSFORMATIVE STORY OF URBAN ODISHA

TAKEAWAYS

1 Focus on safe drinking water for the urban poor. Around 400,000 homes, covering 1.8 million people, in the urban slums have tap water connections

2 The right to tap water is like any other fundamental right. The poor should not be charged upfront any fee for water connections

3 The Naveen Patnaik government has targeted tap water connections to all houses in the cities by December 2022

4 Under the 'Drink from Tap' mission, Puri is being billed as the first Indian city to have achieved 24x7 quality drinking water supply

5 Odisha has strived for a sustainable water model by ensuring community participation in water management at the local level
