

EMPOWERING TAMIL NADU WITH THE DRAVIDIAN MODEL

The State focuses on citizen centric governance and social justice to ensure equitable growth and sustainable development.

Improving women's sense of self-worth

Right to have and determine choices in matters that concern them

- Right to have access to opportunities and resources
- Right to have the power to control their own lives, both within and outside the home
- Ability to influence their environment to ensure social justice and create an equitable social and economic order.
- Free bus travel for women to ensure financial freedom, encourage and boost their work participation rate.
- Paramount importance to the safety of women and girl children in educational institutions and workplace. Four courts to hear POCSO cases to put an end to crime against women and children.
- All girls studied from classes 6 to 12 in government schools would be paid Rs 1,000 till the uninterrupted completion of their undergraduate degree, diploma and ITI courses.
- Unanimously passed bills amending municipal and panchayat laws to increase the percentage of reservation for women from 33 to 50%.

Promoting Industries, Augmenting Investments

- The Government of Tamil Nadu aspires to make Tamil Nadu a GDP Economy of one lakh crore -1 trillion US dollars by 2030.
- 124 MoUs were signed for an investment of Rs.62,276 crore which will create job opportunities for 1,90,702 persons since May 2021.
- These include investments attracted through investment conclaves held in Chennai, Coimbatore and Thoothukudi.
- India's first International Furniture Park
- Land Bank of 45,000 acres in the next five years.
- Fintech Policy 2021
