A plan comprising of 19 action points was unveiled on 16 January 2016. As on 1 March 2019, 16,578 new start-ups were recognised Figure 4: India's ranking in World Bank Ease of Doing Business Reports India's progress in Ease of Doing Business Report Rankings across 499 districts, 47% Start-ups from Tier II and III cities and 46% of Recognised Start-ups have at least one woman director.

Statement II: CORRECT—FDI is a major driver of economic growth as it enhances productivity by bringing capital, skills and technology to the host country. The Government is playing a proactive role in investment promotion through a liberal FDI policy. During 2018-19, total FDI equity inflows were $44.36 billion as compared to $44.85 billion during 2017-18. Out of FDI equity inflows of $44.36 billion during 2018-19, more than 70% have come mainly from Singapore, Mauritius, Netherlands, Japan and United Kingdom.

76. Statement I: CORRECT—Indian leather and footwear industry, a highly employment intensive sector, is the second largest producer of footwear, second largest exporter of leather garments and fifth largest exporter of leather goods. The global demand for footwear is moving towards non-leather footwear, while Indian tax policies favour leather footwear production. India faces high tariffs in partner country markets for leather goods and non-leather footwear. In order to address these challenges, a special package of '2600 crore under the scheme Indian Footwear and Accessories Development Programme is being implemented (2017-20). The special package for the leather industry has the potential to generate 3.24 lakh new jobs in three years and assist in formalisation of 2 lakh jobs.

Statement II: CORRECT—The gem and jewellery sector contributes to exports and employment generation of around 5 million. During the year 2017-18, the gem and jewellery exports were 13.69% of total merchandise exports in the country. With a view to strengthen the sector, the Government has taken a number of steps, such as establishment of Special Notified Zone, setting up of Common Facility Centres for gems and jewellery sector, creation of separate ITC HS Code for lab grown diamond,
