examples of pre-modern long-distance communication included audio messages such as coded drumbeats, lung-blown horns, and loud whistles.

20th and 21st century technologies for long-distance communication usually involve electrical and electromagnetic technologies, such as telegraph, telephone, and tele printer, networks, radio, microwave transmission, fibre, and communications satellites.

17. Statement I: CORRECT—The hospitality industry is a broad category of fields within the service industry that includes lodging, food and drink service, event planning, theme parks, transportation, cruise line, traveling, airline and additional fields within the tourism industry.

    The hospitality industry is an industry that depends on the availability of leisure time and disposable income. A hospitality unit such as a restaurant, hotel, or an amusement park consists of multiple groups such as facility maintenance and direct operations (servers, housekeepers, porters, kitchen workers, bartenders, management, marketing, and human resources, etc.).

    Statement II: CORRECT—Hospitality industry concentrates on customer's satisfaction by creating good services and products that will meet their needs. This is a very competitive industry since there can be various types of product and service such as the diversity of cuisine, dining options, drive-through option, variety of beverage, different hotel's themes, etc. Therefore, it is important for service providers to establish a good relationship with customers, so that they will come back for more.

    Before structuring as an industry, the historical roots of hospitality was in the western world in the form of social assistance mainly for Christian pilgrims directed to Rome. For such a reason, the eldest public hospital in Europe was the Ospedale di Santo Spirito in Sassia founded in Rome in the eighth century statement needs clarity.

18. Statement I: CORRECT—Access to health care may vary across countries, communities, and individuals, influenced by social and economic conditions as well as health policies. Providing health
